"For we are GOD's fellow workers. You are GOD's field, GOD's building." 1 Corinthians 3:9 ESV

The School of the Prophetic has been established to build prophetic people to hear and speak the Word of the LORD. Each level taught will use the construction of a building to symbolize building a prophetic person from the foundation to the roof so he/she can feel confident, secure and accurate in releasing and receiving from GOD words or pictures that will exhort, comfort, and strengthen the people they minister to.
